Inventory Guidelines for County Contracts

- e) Contractors shall submit an Inventory Report of Capital Assets/Equipment and Minor Equipment purchased using County funds at the end of each fiscal year. The Inventory Report is due to the COR no later than thirty (30) days after the end of the fiscal year. - g) Inventory records on non-expendable equipment shall be retained and shall be made available to the County upon request, for at least three (3) years following date of disposition.
- h) Contractors may choose to utilize their own Inventory Report as long as the required information above is included. Otherwise, contractors can utilize the BHS Inventory Form.
- i) Contractors shall include in the Inventory Report any items that were transferred from one County program to another and note the transfer date and program. A DPC 203 form shall be completed.

At County's option, it may:
 - i) Have Contractor deliver to another County contractor or have another County contractor pick up the non-expendable property;
